

Application

At Curventa we are always interested in hearing from committed and above all talented individuals, from Students to Graduates and experienced professionals alike.

We receive on average 40 CV's a week and unfortunately we do not have time to reply to all of them. To ensure your application will be considered please follow the guidelines and good luck!

Guidelines

We **WILL** consider >

- . Printed applications by post
- . PDF's (MAXIMUM 3MB) by email to:
vacancies@curventa.co.uk

We will **NOT** consider >

- . A CV containing spelling errors
- . A collection of jpeg images
- . A Text CV with no images
- . A CV showing only examples of CAD work
- . A CV without any examples of Sketch work
- . A submission on CD

We are most interested in >

1. Sketch idea/concept generation
2. Hand drawing and presentation skills
3. Foam & card model making skills
4. 2D CAD visual presentation skills
5. 3D CAD experience
(preferably Solid works)
